Khor Jun Yong

Passionate about all things interesting. I am currently enhancing my expertise in Artificial Intelligence through a Master's program at Monash University. With a strong foundation in computer science and practical experience from front-end development. I'm keen to collaborate with like-minded professionals and contribute to exciting projects that push technological boundaries.

Technical Skills

- Angular
- Python
- Javascript
- Java

Soft Skills

- Team Collaboration
- Problem solving
- Critical Thinking
- Adaptability

Education

Monash University Clayton Campus
Master of Artificial Intelligence
July 2024 – Present

Monash University Malaysia
Bachelor of Computer Science (Major in Advanced Computer Science)
Feb 2022 – June 2024
CGPA: 3.541

Monash University Malaysia
Diploma in Higher Education Studies
Feb 2021 – Dec 2021

Languages

English, Chinese, Bahasa Malaysia

Project Experience

Car Plate Recognition

Developed an application combining image processing techniques and artificial neural networks to recognize car plates in diverse conditions.

Roguelike Mario Game

Collaborated in a team of 3 to design a game based on SOLID principles for high code quality.
